Better Bus Area (BBA) Fund - Q&A February

Is it our bid which must be no longer than 20 pages or the bid plus text already in the application form?

Your bid must be no longer than 20 pages. You must retain any section headings, sub headings and table formats but you can delete any DfT explanatory text contained in the form.

Does a partner authority have to be a geographically neighbouring authority?

No.

Does my bid have to be split exactly 50:50 capital:revenue?

No. However, you should be aware that 50:50 is the total envelope that DfT are working with and we will be judging bids on affordability.

What would DfT classify as revenue?

That would be for your own finance department to decide.

How can I use track changes on the application form?

If you open the application form at <http://www.dft.gov.uk/publications/better-bus-areas-fund/> then go to 'File' >> 'Save As' and save it as a word document. Once saving the form as word document you can use track changes
