Dear Graham,

Thank you for your kind letter of 18 October congratulating me on my appointment as Transport Secretary. I am delighted to have been asked to carry out this role and will certainly do everything I can to deliver a modern sustainable transport infrastructure for this country.

I would be happy to meet you to discuss the range of transport issues you suggest, including implementation of the Renewable Energy Directive, the treatment of oil sands in the Fuel Quality Directive and Shell's work on future mobility pathways.

As I'm sure you will understand, my initial diary is very busy, but I hope to be able to meet you in the new year. Please could you liaise direct with my Diary Manager, Henry Sutcliffe, on 020 7944 4397, to finalise the arrangements.
