Dear xxxxxx,

## **FOI 7181 AUTHORISATION OF RED ROUTE MARKING**

I am writing to confirm that the Department has now completed its search for the information which you requested.

I am pleased to enclose the authorisation for the Red Routes network in London. You will find at the back of the authorisation the specifications regarding the colour of the road markings and road signs. There have also been several other authorisations for parts of the Red Route Network but this is the main one and in each case the colour specification remains the same.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless exempt. The Department will, therefore, be simultaneously releasing to the public the information you requested, together with any related information that will provide a key to its wider context.

If you are unhappy with the way the Department has handled your request or with the decisions made in relation to your request you may complain within two calendar months of the date of this letter by writing to the Department's Information Rights Unit at:
