Dear xxxxxx

Freedom of Information Request F0007722

I am writing to confirm that the Department has now completed its search for the information which you requested on 1 June 2011.

You sought details of the Departmental IT structure, including senior management, and details on Information and Technology contacts.

I attach information covering DfT(c) (Central Department for Transport) and some of our Agencies.

DSA (Driving Standards Agency);
MCA (Maritime and Coastguard Agency);
VOSA (Vehicle and Operator Services Agency); and
VCA (Vehicle Certification Agency).

DVLA (Driving and Vehicle Licensing Agency) and HA (Highways Agency) do not have an IT Structure Chart.

IT provision to GCDA (Government Car and Despatch Agency) is provided by DfT(c).

Below is table listing the Director of Finance, Commercial Director (Procurement) and outsourcing data for each area.

As previously explained in our reply to F0006678 last year, all names of junior officials below the Senior Civil Service have been withheld under section 40(2) of the Freedom of Information Act 2000 on the grounds that it would be unfair in terms of the first data protection principle to disclose the names of staff at those levels.

In addition, you may find it useful to view the Department's organisation chart on our website at <http://www.dft.gov.uk/publications/organisation-charts/>

All DfT (Central) staff are contactable by email using the following standard address: [first name].[family name]@dft.gsi.gov.uk. The organisation chart also includes names of the Chief Executive and senior staff of the seven Executive Agencies and links to their own websites from <http://www.dft.gov.uk/about/agencyandtransportlinks>.

We do not provide direct telephone numbers to individual enquirers but if you wish to contact any named member of staff in the central department by telephone please call our enquiry number (020 7944 8300) and one of our enquiry agents will put you through.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless exempt. The Department will, therefore, be simultaneously releasing to the public the information you requested, together with any related information that will provide a key to its wider context.

If you are unhappy with the way the Department has handled your request or with the decisions made in relation to your request you may complain within two calendar months of the date of this letter by writing to the Department's Information Rights Unit at:

Your right to complain to DfT and the Information Commissioner

You have the right to complain within two calendar months of the date of this letter about the way in which your request for information was handled and/or about the decision not to disclose all or part of the information requested. In addition a complaint can be made that DfT has not complied with its FOI publication scheme.

Your complaint will be acknowledged and you will be advised of a target date by which to expect a response. Initially your complaint will be re-considered by the official who dealt with your request for information. If, after careful consideration, that official decides that his/her decision was correct, your complaint will automatically be referred to a senior independent official who will conduct a further review. You will be advised of the outcome of your complaint and if a decision is taken to disclose information originally withheld this will be done as soon as possible.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
