

## PARTS AND ACCESSORIES

### **A**

|                                   |              |
|-----------------------------------|--------------|
| Aerials                           | 8529 1011 00 |
| Air brake cylinders               | 8412 3100 90 |
| Air brake systems                 | 8708 30xx xx |
| Air conditioning units            | 8415 2000 00 |
| Air filters                       | 8421 3100 90 |
| Air horns, electric               | 8512 3010 00 |
| non-electric                      | 8479 8997 90 |
| Air pumps (hand or foot operated) | 8414 2080 90 |
| Alarm systems                     | 8531 1095 90 |
| Alternators                       | 8511 5000 90 |
| Anti-skid chains                  | 7315 20xx xx |
| Arm rests                         | 9401 90xx xx |
| Arms and rods                     | 8708 99xx xx |
| Axle jacks                        | 8425 4900 90 |
| Axles, complete                   | 8708 50xx xx |
| Axle shafts or half-shafts        | 8708 50xx xx |
| Axle tie-rods                     | 8708 50xx xx |

### **B**

|  |               |
|--|---------------|
| Backrests for seats                          | 9401 90xx xx  |
| Badges of base metal                         | 8310 00xx xx  |
| Baffles and shrouds, cooling air for engines | 8708 99xx xx  |
| Ball and sockets joints, steering            | 8708 94xx xx  |
| Battery                                      | 8507 10xx xx  |
| Battery cable, insulated                     | 8544 41/49    |
| Battery cable connectors                     | 8536 9010 00  |
| Battery chargers                             | 8504 4055 90  |
| Bearings, plain/shell                        | 8483 3080 90  |
| Belts, safety                                | 8708 21xx xx  |
| Belts, various of rubber                     | 4010 11/12/19 |
| Body panels and parts/accessories            | 8708 29xx xx  |
| Bolts, of iron and steel                     | 7318 19xx xx  |
| Bonnet and boot lid catches                  | 8302 30xx xx  |
| Boot lid handles, metal                      | 8302 30xx xx  |
| plastic                                      | 3926 30xx xx  |
| Boot lid hinges                              | 8302 10xx xx  |
| Boot lid locks                               | 8301 20xx xx  |
| Boots, gaiters of rubber                     | 4016 99xx xx  |
| Braces, wheel nut/stud                       | 8204 11xx xx  |
| Brackets, mounting and support               | 8708 99xx xx  |

|   |                  |
|---|------------------|
| Brake cables for motor vehicles                   | 8708 30xx xx     |
| motor cycles                                      | 8714 1900 00     |
| Brake cylinders - air                             | 8412 3100 90     |
| Brake cylinders - hydraulic                       | 8412 2180 90     |
| Brake cylinder rubber seals                       | 4016 9300 90     |
| Brake drums and discs for motor vehicles          | 8708 30xx xx     |
| motor cycles                                      | 8714 1900 00     |
| Brake fluid reservoirs                            | 8708 30xx xx     |
| Brake hoses of plastic                            | 3917 21/29       |
| of rubber   | 4009 11/12/21/22 |
| Brake lines and pipes of plastic                  | 3917 21/39       |
| of rubber   | 4009 11/12/21/22 |
| of aluminium and alloys                           | 7608 10/20       |
| of copper and alloys                              | 7411 10/29       |
| of iron or steel                                  | 7304 31/90       |
| Brake linings without shoes or mounting plates    | 6813 81xx xx     |
| fitted to shoes                                   | 8708 30xx xx     |
| Brake pads, complete, for motor vehicles          | 8708 30xx xx     |
| for motor cycles                                  | 8714 1900 00     |
| Brake rods, linkage and levers for motor vehicles | 8708 30xx xx     |
| for motor cycles                                  | 8714 1900 00     |
| Brakes for cycles                                 | 8714 94xx xx     |
| Brake servos                                      | 8708 30xx xx     |
| Brake shoes, complete for motor vehicles          | 8708 30xx xx     |
| for motor cycles                                  | 8714 1900 00     |
| Brushes, bronze for electrical purposes           | 8545 2000 00     |
| Bumpers   | 8708 10xx xx     |
| Burglar alarm systems                             | 8531 1095 90     |
| Bushes, bronze/plain bearings                     | 8483 3080 90     |
