QUARTERLY DAILY MESSING RATE (DMR) PUBLICATION

01 NOVEMBER – 31 DECEMBER 2012

1. Attached at Annex A are revised Daily Messing Rates for the period effective from 1 Nov to 31 Dec 12 which are considered necessary to ensure that the buying power of the senior caterer at unit level will not be adversely affected by sharp price increases of Milk, Bread, and Potatoes in particular, listed in the Nov 12 PFS Core Range, in order to maintain the same level of service provided.
2. Front Line Commands (FLCs) are to disseminate this letter to their chain of command.
3. All rates, supplements and in-flight scales are to be administered in accordance with the catering accounting instructions contained within the current version of JSP 456 DCM Vol 2 and single service catering publications.
4. All rates are published in UK sterling, unless specified otherwise.
5. All queries are to be staffed through FLCs and not direct to the DFFS Team.
