Introduction

MilFLIP has been developed by N°1 AIDU as a supplement to already printed products. The MilFLIP website contains all relevant products normally found within the old additional services section on the AIDU website, as well as these products a new feature has been developed enabling Military customers 24hr access to a full coverage of TAP Charts. TAP Charts can be downloaded, collated into E-Books then either saved or printed from a locally attached printer.

Waiver: Some products shown within the Help Guide may not be available, please contact AIDU customer services for more information.

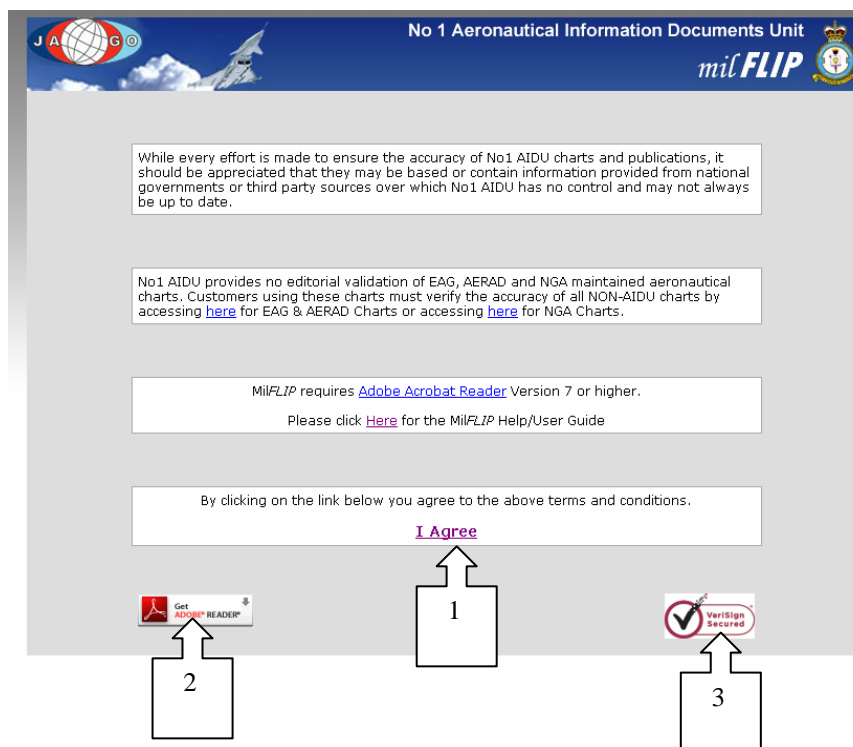

System Requirements

MilFLIP can be accessed from any Internet PC that has an up to date Adobe Acrobat reader, the system has also been developed to allow RLI users full access. The website is fully secure therefore users must have an official username and password before access will be granted. Please see below for registration details.

Registration

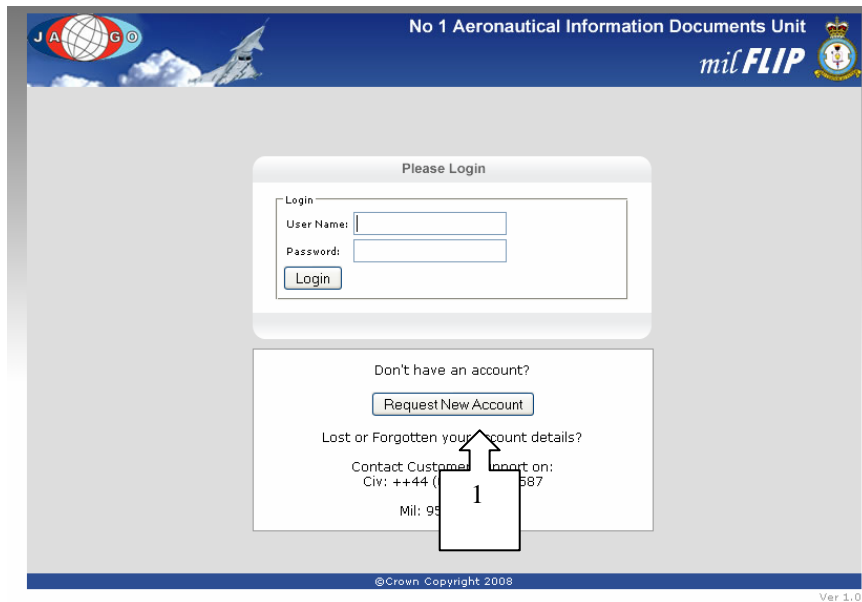

MilFLIP is for UK Military and authorized customers only. It can be accessed from either; <https://www.AIDU.mod.uk/Milflip> or from the link in the AIDU website.

Before registration all customers are to read and agree to the initial waiver and information.

1. Once the waiver has been read and understood click the I Agree button.
2. Click here to obtain the latest version of Adobe Acrobat Reader.
3. Click here to see information on Verisign Security Certification.

Registration - Initial Logging In Screen

The screenshot shows the 'Please Login' screen of the milFLIP system. At the top, there is a header with the 'JAG' logo, the text 'No 1 Aeronautical Information Documents Unit', and the 'milFLIP' logo. The main content area contains a 'Please Login' box with fields for 'User Name' and 'Password', and a 'Login' button. Below this is a box with the text 'Don't have an account?' and a 'Request New Account' button. Further down, there is a link for 'Lost or Forgotten your account details?' and contact information for the Customer Support team. A callout box with the number '1' and an arrow points to the 'Request New Account' button.

Frequently asked Questions

1. **How do I create an account?**

Please register as per [Page 3](#) onwards, if you have any queries or problems please contact AIDU Customer Services using the number shown on the Log in page.

2. **Can I change my account information?**

Yes, please click the My Account button on [Page 8](#). All your account details can be viewed and changed on the form then shown.

3. **Can I change my Password?**

Contact AIDU Customer Services using the number shown on the Log in page to reset your password or you will be prompted to change it after 90 days.

4. **I cant remember my password or login details?**

Please contact AIDU Customer Services using the number shown on the Log in page.

5. **Can I create and save TAP selections?**

Yes, by using the Your Products area please see [Page 20](#).

6. **When I create my own TAP Products can I change them?**

Yes, please refer to [Page 22](#) and use the Edit button to make any changes.

7. **When I download a Product why do I see a grey screen?**

A grey screen is shown while your computer browser is downloading the PDF, depending on your browser and version Acrobat Viewer you may be presented with a progress bar. Please be patient until your PDF Loads.

8. **Why do Products take so long to Load?**

RLI users will notice extremely slow speeds due to Band width and Security settings. Internet users may experience slow speeds if they have the following:

- A shared connection
- A Dial up modem
- A slow broadband Connection
- Mobile Broadband

Please be patient until your PDF Loads.
