Definition of Terms and Location of First Use of a Term

NOTE ON SCHEDULES AND ANNEXES

An individual Agreement entered into by a TMO and a Council will consist of –

- i) the non-optional clauses of the MMA ;
- ii) the optional clauses in the MMA chosen by the parties, within the constraints specified in the MMA;
- iii) Annexes;
- iv) the Schedules referred to in the MMA and listed in the Contents at the end of each Chapter, after the list of the clauses constituting that Chapter.

The Schedules have to comply with the statutory guidance, given under regulation 7 of the Housing (Right to Manage) Regulations 1994 by the Secretary of State, and this is set out in the Guidance on the Schedules. This publication also contains non-statutory guidance, prepared by ODPM. The non-statutory guidance which, unlike the statutory guidance, is not binding, is intended to assist TMOs and Councils to prepare the Schedules to their individual Agreements.

CHAPTER 1

General Provisions of the Agreement

1 PARTIES TO THE AGREEMENT

- 1.1 This Agreement is made between the Council and the Tenant Management Organisation (the **TMO**).

2 THE COUNCIL AND THE PROPERTY

- 2.1 The Council is a local housing authority under Part 2 of the Housing Act 1985. The Council is the freehold or leasehold owner of the **Property** which constitutes the subject-matter of this Agreement and has management functions in respect of it. The dwellings and land constituting the **Property** are listed in Schedule 1 (**Property included in the Management Agreement**) and in this Agreement, unless a contrary intention appears:
- a) a reference to a dwelling shall be construed as a reference to a dwelling listed in that Schedule (a “**Property dwelling**”);
 - b) a reference to a tenant, leaseholder, freeholder or lawful occupier shall be construed as a reference to a tenant, leaseholder, freeholder or lawful occupier of a **Property dwelling**.

3 THE TMO

- 3.1 The **TMO** is *[insert type of organisation, e.g. an organisation registered under the provisions of the Industrial and Provident Societies Act 1965; or a company limited by guarantee registered under the provisions of the Companies Act 1985]*. The **TMO's** constitution is set out in Annex A.
- 3.2 While this Agreement is in force the **TMO** will not amend its constitution without first getting the Council's permission in writing. The Council will not withhold or delay giving its permission without good reason. At no time may the **TMO** amend its constitution so that it no longer meets the conditions in regulation 1(4) of the **Right to Manage Regulations**.

4 STATEMENT OF EXERCISE OF MANAGEMENT FUNCTIONS UNDER THE RIGHT TO MANAGE

- 4.1 The Council agrees for the **TMO** to carry out those of its management functions as are specified in this Agreement, which is derived entirely from the **Modular Management Agreement** that has been approved by the Secretary of State under regulation 4(10) of the **Right to Manage Regulations**.
- 4.2 Nothing in this Agreement gives the **TMO** any ownership or other legal rights, or imposes any obligations in respect of the **Property** other than the right to manage and maintain the **Property**. Nothing in this Agreement affects the Council's legal relationship with its tenants or leaseholders and the Council retains its statutory, contractual and common law obligations to them and all other clauses in this Agreement are subject to this clause.

5 STARTING DATE

- 5.1 (*Option A: The same **Starting Date** for all functions exercised by the **TMO**.*)

The **TMO** will exercise the functions it has agreed to exercise under this Agreement from the **Starting Date** of [] until the date on which this Agreement is ended in accordance with clause 20.

Starting Date

(*Option B: Staggered start dates for different functions exercised by the **TMO** or for different dwellings.*)

The **TMO** will exercise the functions it has agreed to exercise under this Agreement from the **Starting Date** until the date on which this Agreement is ended in accordance with clause 20 with the exceptions set out below:

(*Drafting note: list here the chapter, clause number references and brief description of functions which have a different start date from the **Starting Date**, specifying the start date in each case, and list the dwellings and land held for a related purpose in respect of which there is a start date different from the **Starting Date**, specifying the start date in each case.*)

6 THE TMO'S EXERCISE OF MANAGEMENT FUNCTIONS

- 6.1 The **TMO** will carry out management functions for the **Property** in accordance with the terms of this Agreement.
- 6.2 In carrying out these functions the **TMO** will comply with the Council's legal obligations.
- 6.3 The **TMO** may, with the consent of the Council, appoint another person to carry out management functions.

- 6.4 The **TMO** agrees to exercise its functions in accordance with the performance standards set out in Schedule [] of Chapter []. The **TMO** also agrees that in exercising its functions it will have regard to the duties of the Council to meet the requirements of a best value authority under the provisions of Part I of the Local Government Act 1999 and orders made under that Part.
- 6.5 The Council agrees to inform the **TMO** of any action by the **TMO** which could lead to a reduction in the Housing Revenue Account Subsidy following a determination under section 80 of the Local Government and Housing Act 1989 relating to the provision of services, facilities and rights or to disproportionate rent increases. The **TMO** on being so informed agrees not to carry out any such action.
- 6.6 The **TMO** will comply with obligations imposed by law on the Council in so far as such obligations apply to the **TMO**, and obligations imposed by law on the **TMO**.

7 INSURANCE

- 7.1 The Council will insure against the following risks:
(Drafting note: specify here the insurance risks against which the Council will insure.)
- 7.2 The Council remains liable for risks it has not insured against. It will not pass on to the TMO any costs that arise from not insuring against those risks.
- 7.3 The **TMO** will arrange insurance with an insurer approved by the Council, to a level that the Council may reasonably require covering the following risks arising out its obligations under this Agreement:

*(Drafting note: specify here the insurance risks against which the **TMO** will insure, being risks arising out of the management functions the **TMO** is exercising under this Agreement.)*

8 EXCLUSION OF SECTION 27(13) OF THE HOUSING ACT 1985 AND GENERAL INDEMNITY

- 8.1 The Council and the **TMO** agree, under the provisions of section 27(15)(a) of the Housing Act 1985, that the provisions of section 27(13) of that Act do not apply to any management function of the Council exercisable by the **TMO** under this Agreement. Accordingly, the **TMO** will indemnify the Council against any loss or damage which the Council suffers as a result of an error or failure by the **TMO** in fulfilling its obligations under this Agreement or as a result of such an error or failure by another person appointed by the **TMO** in accordance with clause 6.3.
- 8.2 Subject to the provisions of clause 1 of Chapter 7 in respect of the transfer of employees, the Council will indemnify the TMO against any loss or damage which the TMO suffers as a result of an error or failure by the Council in fulfilling its obligations under this Agreement or as a result of such an error or failure by a contractor or employee of the Council.

9 CONFIDENTIALITY

- 9.1 The **TMO** will treat as strictly confidential all information in its possession in relation to tenants, leaseholders and freeholders of a dwelling. The **TMO** will use such information only for the purpose of fulfilling its obligations under this Agreement. The **TMO** will not give the information to or permit it to be seen by any other person or organisation except with the express advance written consent of the tenant, leaseholder or freeholder concerned, unless it is required to do so by law.
- 9.2 The Council will treat all information about tenants, leaseholders and freeholders of a dwelling as strictly confidential except where it is necessary for the Council to use such information to fulfil its statutory obligations.
- 9.3 In fulfilling their respective obligations under this Agreement the Council and the **TMO** will register if necessary as data users and comply with the requirements of the Data Protection Act 1998.
- 9.4 The **TMO** agrees to publish a Code of Confidentiality, which will have regard to the Code of Confidentiality published by the Office of the Deputy Prime Minister.

10 EQUAL OPPORTUNITIES

- 10.1 The **TMO** will act in accordance with its **Equal Opportunities Policy and Procedures** set out in Schedule 2. The **TMO** will operate equal opportunities policies and procedures in exercising all of its functions under this Agreement. By implementing equal opportunities policies and procedures the **TMO** will ensure that it does not discriminate against any person. Discrimination will not occur on the grounds of race, ethnic origin, disability, nationality, gender, sexuality, age, class, appearance, religion, responsibility for dependants, unrelated criminal convictions, being HIV positive or having AIDS, or any other matter which causes any person to be treated with injustice.
- 10.2 The **TMO** will have regard to the Commission for Racial Equality Code of Practice in Rented Housing and any other future guidance issued with CRE or central government approval.
- 10.3 The **TMO** will supply the following persons with a statement of the **TMO's Equal Opportunities Policy and Procedures**:

- 11.3 The Council will, within the resources available to it, make every effort to meet any written request for assistance to enable the **TMO** to fulfil its training obligations as set out in clause 11.1.
- 11.4 The **TMO** will prepare a training plan at the beginning of each financial year. A report on the training undertaken by **TMO** members and staff in the previous twelve months will be presented at the **TMO's** AGM. A copy of this report will be sent to the Council.

12 INFORMATION TO TENANTS

- 12.1 The **TMO** will provide the tenants and leaseholders of dwellings with information about the workings of the **TMO**.

13 CONFLICTS OF INTEREST

- 13.1 The **TMO** will provide in its standing orders that a committee member, officer or employee of the **TMO** will declare any private or personal interest in any matter related to the carrying out of his or her obligations or functions. A person who has declared such an interest will neither attend the discussion leading to a decision on the matter nor vote on it. The **TMO** will, in reaching its decision on the matter, ensure that corrupt, undue or unfair personal gain is avoided.
- 13.2 Committee members and officers of the **TMO** will declare their personal business interests in a register of interests, which will be kept up to date. The register will be kept at the **TMO's** main office. It will be open to inspection during the **TMO's** normal office hours by any person wishing to inspect the register, subject to reasonable notice being given.

14 RIGHT TO REPRESENT

- 14.1 Where a tenant, leaseholder or freeholder requests the **TMO** to act as his or her representative in dealings with the Council, the Council will accept the **TMO** as such a representative.
- 14.2 Where the **TMO** requests the Council to recognise it to represent the collective interests of its members, the Council will comply with that request.

15 COUNCIL'S RIGHT OF ACCESS TO DWELLINGS

- 15.1 The Council will have the right of access to a dwelling to carry out the management functions it retains under this Agreement or in accordance with its legal obligations. The Council will give the **TMO** twenty four hours' notice (except in emergency where immediate access without notice is reasonably required).
- 15.2 Where the Council exercises its right of access to a dwelling under a tenancy or leasehold agreement, it will give notice to the **TMO** at the same time as it gives notice to the tenant or leaseholder.
- 15.3 In exercising a right of access the Council will cause as little disturbance, nuisance or annoyance as possible to residents in a dwelling and will make good to the **TMO's** reasonable satisfaction any damage caused in exercising the right.
- 15.4 Nothing in this clause gives the Council the right to enter any tenanted part of a dwelling unless this is permitted under the relevant tenancy agreement.

16 INTERPRETATION OF THIS AGREEMENT AND GENERAL PROVISIONS

- 16.1 Where a clause in this Agreement has the words "clause not included" this indicates that an optional clause in the **Modular Management Agreement** has not been chosen. This keeps the numbering of clauses in this Agreement the same as in the **Modular Management Agreement**.

- 16.2 All of the Schedules in this Agreement are agreed between the Council and the **TMO** and, except where a Schedule is constituted by a list of property items or services or it is otherwise stated, are in accordance with guidance given by the Secretary of State under regulation 7 of the **Right to Manage Regulations** and contained in the Guidance on the Schedules.
- 16.3 The **TMO** agrees to publish a Code of Governance, which will have regard to the Code of Governance for Tenant Management Organisations published by the Office of the Deputy Prime Minister.
- 16.4 The following interpretation provisions in relation to this Agreement apply:
- a) a reference in this Agreement to an Act of Parliament or a Statutory Instrument is a reference to that Act or Statutory Instrument as amended from time to time;
 - b) a reference to a numbered clause in a Chapter is, unless a different Chapter is specified in relation to that clause, a reference to the clause bearing that number in that Chapter, and a reference to a numbered Schedule in a Chapter is, unless a different Chapter is specified in relation to that Schedule, a reference to the Schedule bearing that number to that Chapter;
 - c) words in the singular include the plural, and *vice versa*;
 - d) words importing the masculine gender include the feminine, and *vice versa*; and
 - e) where the Agreement provides that a party to the Agreement “will” perform some action, this is to be interpreted as providing that that party accepts as a term of this Agreement that it will perform that action, and that failure to do so will constitute a breach of the Agreement.

17 DECISION TO CONTINUE THIS AGREEMENT

- 17.1 At each Annual General Meeting after the second anniversary of the **Starting Date**, the **TMO** will consider a resolution stating that it wishes to continue managing the **Property** under the terms of this Agreement. Should such a resolution be rejected by a simple majority vote at the Annual General Meeting, the **TMO** will hold a Special General Meeting within [*link to TMO's constitution*]____days to consider the giving of the three months' notice of termination of this Agreement under the provisions of clause 20.2.4 below.
- 17.2. At least every five years the **TMO** will consult with all the tenants and leaseholders of dwellings, through either a secret ballot or an anonymous questionnaire, whether this Agreement should continue. The purpose of the consultation will be to ascertain:
- a) opinion as to the effectiveness of the **TMO** as manager of the **Property**; and
 - b) whether:
 - i) the majority of those responding; and
 - ii) the majority of secure tenants responding,

wish the **TMO** to continue as manager of the **Property** under this Agreement.

- 17.3 If the majority of those responding to the consultation and a majority of secure tenants responding do not wish the **TMO** to continue as manager of the **Property**, the **TMO** will have the right to hold a secret ballot within three months of the date on which the outcome of the consultation is announced.
- 17.4 The **TMO** will inform the Council of the result of any consultation exercise under clause 17.2 above within 21 days of the date of the ballot or, as the case may be, within 21 days of the closing date for returning the questionnaire. If a ballot is held under clause 17.3 and the majority of those voting and a majority of secure tenants voting still do not wish the **TMO** to continue as manager of the **Property** the **TMO** will give notice to end the Agreement under clause 20.2.4.

18 VARIATIONS TO THIS AGREEMENT

18.1 This Agreement may be varied in the following ways:

- a) by the **TMO**:
 - i) obtaining certification by an **Approved Person** that, in relation to additional management functions that the **TMO** wishes to exercise which are included as options in the **Modular Management Agreement**, the **TMO** has the required level of competence; and
 - ii) then giving the Council at least four months written notice, or such other period as may be agreed, that it has decided by a simple majority vote at a general meeting to take on those management functions, in which case this Agreement will be varied by adopting the appropriate clauses of the **Modular Management Agreement**.

The Agreement will be varied by adopting the appropriate optional clauses in the **Modular Management Agreement**;

 - ii) where the modifications do not fall within paragraph (i), by the **TMO** and the Council agreeing to replace the clauses in this Agreement corresponding to the modified clauses with those clauses.

Modifications within either paragraph (i) or (ii) may also include the renumbering of clauses in this Agreement that are identical in content with clauses in the modified **Modular Management Agreement** in accordance with the numbering in that **Modular Management Agreement**;

- g) by the Council terminating the operation of Option C or Option D of clause 3 of Chapter 6 in accordance with the provisions of clause 3.11 of Option C or, as the case may be, clause 3.10 of Option D.

Where the variation falls within paragraphs (a) to (f) the Agreement as varied will come into force on a date agreed by the Council and the **TMO**.

- 18.2 Variations to the Agreement in accordance with clauses 18.1 a), b), d), e) and f) will be effected by a Deed of Variation signed and sealed by the Council and the **TMO**. - a) a tenant of a dwelling exercising the **Right to Buy** his or her home under the provisions of Part 5 of the Housing Act 1985;
- b) a leaseholder exercising the **Right to Enfranchise** under the Leasehold Reform, Housing and Urban Development Act 1993; or
- c) the application of regulation 2(1)(c)(ii) of the **Right to Manage Regulations**, which permits a further proposal notice under the **Right to Manage** to be served by tenants in **TMOs** which manage more than 2,500 homes to form their own smaller **TMO**, will be to vary this Agreement in the appropriate manner solely by virtue of this clause. Such a variation will come into effect, together with the necessary adjustments to the **Allowances**, from the date on which the **Right to Buy** or the **Right to Enfranchise** purchase is completed or the relevant **Starting Date** of the management agreement under the **Right to Manage** comes into force.

19 FAILURE TO PERFORM [\[Link to Chapter 7 and Chapter 8\]](#)

- 19.1 Without affecting any other rights the Council may have under this Agreement or in law the following provisions of this clause will apply where the Council is of the opinion that there has been a failure to perform by the **TMO**.
- 19.2 Subject to the provisions of clause 19.9, in the event of the **TMO** failing to exercise a management function or a management task to the performance standards referred to in clause 1 of Chapter 8, or where there has been a financial breach by the **TMO**, the Council will work with the **TMO** to develop, agree and implement an **Improvement Plan** to improve the performance in order to reach those standards or prevent serious financial breaches.
- 19.3 In order to assist with the development of an **Improvement Plan** with which the **TMO** is in agreement, the Council may, in the first instance, appoint an independent person to advise on the performance standards of the **TMO**, the action proposed by the Council, and the views of the **TMO**, and to recommend to the Council and the **TMO** the steps that should be taken, to be included in the **Improvement Plan**, to deal with the problems that have arisen. The consent of the **TMO** is required that the person proposed by the Council for these purposes may so act, but such consent is not to be unreasonably withheld.
- 19.4 In the event of the **TMO** failing to implement the **Improvement Plan** (including such failure following the appointment of an independent person in accordance with clause 19.3 and any recommendations made by him), the Council may serve a **Breach Notice** on the **TMO**. Within 21 days of receipt of a **Breach Notice** the **TMO** will remedy the breach or notify the Council in writing why it cannot remedy the breach within this period, and specify the date by which the breach will be remedied.
- 19.5 If the breach is not remedied within 21 days of receipt of a **Breach Notice**, or the Council does not accept the adequacy of the reasons given by the **TMO** why it cannot remedy the breach within this period, or does not accept the date specified by the **TMO** as the date by which the breach will be remedied, the Council may serve a **Warning Notice**, warning the **TMO** that unless the breach is remedied within seven days the functions specified will be removed from the functions being exercised by the **TMO**.
- 19.6 If the **TMO** has not corrected the breach within seven days of receiving the **Warning Notice**, the Council may in writing terminate the **TMO's** exercise of the functions specified in the **Breach Notice** and **Warning Notice** from a specified date. The **TMO** will have to wait 24 months (or such shorter period as the Council may decide) before it can resume exercising the functions by virtue of the application of clause 18.1.a).
- 19.7 Without affecting any other rights the **TMO** may have under this Agreement or at law:
- 19.7.1 if the Council does not fulfil any of its obligations in respect of management functions not being exercised by the **TMO** under this Agreement or its obligations under this Agreement, the **TMO** may serve a **Failure Notice** on the Council; and
- 19.7.2 within 21 days of receipt of a **Failure Notice** the Council will remedy the failure or notify the **TMO** in writing why the Council cannot remedy the failure within this period and specify the date by which the failure will be remedied.

- 19.8 In the event of any management function becoming exercised again by the Council under the terms of clause 19.6 the **Allowances** will be reduced by an amount (calculated in accordance with Schedule 1 to Chapter 5) which reflects the reduction in the number of management functions exercised by the **TMO**.
- 19.9 Where the Council is satisfied that there are serious failings of the **TMO** as described in clause 7.8 of Chapter 8, the Council may serve a **Supervision Notice** in respect of all of the **TMO's** management functions or those of its management functions that are specified in the **Supervision Notice**. The provisions of Schedule 3 (**Supervision Notice Policy and Procedure**) shall apply to **Supervision Notices** and the action that can be taken after a **Supervision Notice** has been served.
- 19.10 The effect of the service of a **Supervision Notice** is that the relevant management functions become exercisable by direction of the Council from such date as is specified in the Notice and for such period as is specified in the Notice, unless the Council specifies a shorter period after the Notice has been served.

The initial period specified in the Notice shall not exceed six months, and the Council may on the expiry of the initial period specify an additional period not exceeding three months and, when that period expires, a further additional period not exceeding three months.

- 19.11 Where the Council proposes to serve a **Supervision Notice** on the **TMO**, in a case where a **Special Review** has not taken place, the **TMO** may require the Council to appoint an independent person to advise on the reasonableness of the Council's action in all of the circumstances of the case and make recommendations on the content of the proposed **Supervision Notice**. The Council will appoint an independent person when required to do so by the **TMO**, and will accept any recommendations made by him unless it is satisfied that there are exceptional circumstances which make it inappropriate for it to do so. The provisions of Schedule 3 will apply to the appointment of the independent person and the procedures to be followed by him. The consent of the **TMO** is required that the person proposed by the Council for these purposes may so act, but such consent is not to be unreasonably withheld.
- 19.12 Where the relevant conditions set out in the **Supervision Notice** are satisfied, the Council will restore to the **TMO** the exercise of those functions specified in the **Supervision Notice** in respect of which the relevant conditions are satisfied, by serving a **Supervision Termination Notice** on the **TMO**, which will specify the date from which the exercise of those functions will be restored.

20 ENDING THIS AGREEMENT

- 20.1 This Agreement will continue until ended in one of the ways set out in this clause.
- 20.2 This Agreement will end:
- 20.2.1 upon service of a written notice by the Council if the **TMO**:
- a) becomes insolvent;
 - b) has a receiver appointed;

- c) makes an arrangement with its creditors; or
 - d) passes a resolution for voluntary winding up.
- 20.2.2 if the **TMO** has passed a resolution to end this Agreement at a duly convened General Meeting and the Council agrees in writing that it will end on a date agreed by the parties;
- 20.2.3 if the **TMO** has passed a resolution to end this Agreement at a duly convened General Meeting and gives the Council at least three months' written notice of the date on which the Agreement will end;
- 20.2.4 if the **TMO**, having failed to secure a mandate to continue as manager of the **Property** under clause 17, gives the Council three months' written notice to end this Agreement;
- 20.2.5 on the expiry of three months' written notice given to the **TMO** by the Council if the **TMO** has received a **Warning Notice** from the Council under the provisions of clause 19.5, and either:
- i) the **TMO** has failed to remedy the breach or initiate the necessary action to remedy the breach to the reasonable satisfaction of the Council, or
 - ii) the **TMO** has not taken the necessary steps to transfer the relevant functions to the Council under clause 18.1b).
- 20.2.6 on the expiry of the period specified in a **Supervision Notice** under clause 19.9, including any further period that is specified, where the relevant conditions set out in the Notice have not been satisfied by the **TMO**. The Council will give the **TMO** at least three months' notice in writing at the end of the initial period or the first additional period, that a **Supervision Termination Notice** is not to be served on it.
- 20.2.7 if the Council sells or transfers its ownership or interest in the **Property**; or
- 20.2.8 on the date a **Right to Enfranchise** purchase is completed, if the **TMO** has given the Council at least one month's written notice that the reduction in the number of dwellings or the change in its obligations is such that the **TMO** wishes to end the Agreement.
- 20.3 Prior to the sale or transfer of its ownership or interest in the **Property** and consequent ending of this Agreement under clause 20.2.7, the Council undertakes to use its best endeavours to ensure that the successor landlord enters into a similar agreement with the **TMO**.
- 20.4 Any notice to end this Agreement will expire on the last day of a month unless given under clause 20.2.3.
- 20.5 If this Agreement ends the Council will within one month of the date on which the Agreement ends give written notice to the Secretary of State.

- 20.6 The ending of this Agreement will not affect any rights or liabilities of the **TMO** or the Council that have arisen under this Agreement before the date on which it ends including, in particular, the following rights or liabilities:
- a) Chapter 1, clause 8: the general indemnities;
 - b) Chapter 3, clause 9: the payment of rent due;
 - c) Chapter 4, clause 9: the payment of service charges and ground rent collected;
 - d) Chapter 5, clause 8: the payment of the balance of funds; and
 - e) Chapter 7, clause 1: the indemnity in respect of staff.
- 20.7 If this Agreement ends the **TMO** will within three months of the end of this Agreement produce an account and balance sheet as at the date on which this Agreement ends.
- 20.8 If this Agreement ends any monies paid to the **TMO** to carry out its management functions under this Agreement that remain in the **TMO** accounts (except the surplus account) once creditors have been paid will be returned to the Council within **3** months.
- 20.9 If this Agreement ends the **TMO** will as soon as is reasonably practicable hand over to the Council such information and records as the Council may reasonably require for the future management of the **Property**.
- 20.10 If this Agreement ends the **TMO** will as soon as is reasonably practicable hand over to the Council any property listed under Paragraph 3 of Schedule 1 which is owned by the Council.

CHAPTER 2

Repairs, Maintenance and Services Provision

Clause 4.2 of Chapter 1 provides for all of the Council's statutory, contractual and common law obligations to tenants and leaseholders to be unaffected on the coming into force of this Agreement. Accordingly the Council's repairing obligations under, for example, the tenancy agreement or lease, section 4 of the Defective Premises Act 1972, or section 11 of the Landlord and Tenant Act 1985 remain unchanged.

*This Chapter deals with the exercise by the **TMO of Management Functions** the **TMO** has agreed to take on from the Council which arise from the Council's repairing obligations to its tenants and leaseholders. The Chapter also deals with the arrangements between the Council and the **TMO for Major Works**, which may extend beyond fulfilment of the Council's repairing obligations to its tenants and leaseholders, and a number of other matters.*

1 FUNCTIONS OF THE TMO IN RESPECT OF RESPONSIVE AND PLANNED MAINTENANCE REPAIRS

*(Option A: The TMO exercises no functions in respect of **Responsive and Planned Maintenance Repairs**.) Link to [clause 2, Option A](#).*

1.1 Clause not included.

Functions of the TMO in respect of Responsive and Planned Maintenance Repairs Link to [clause 2, Option B](#).

*(Option B: The **TMO** may carry out those classes of **Responsive and Planned Maintenance Repairs** that it wishes providing that the division of repair functions is practicable. The **Allowances** [Chapter 5, [clause 1](#)] must be adequate to cover the repair works the **TMO** takes on.)*

1.1 The **TMO** will exercise **Management Functions** in respect of the classes of **Responsive and Planned Maintenance Repairs** listed in Annex A to Schedule 1 (**Functions and Performance Standards of the TMO and the Council in respect of Repairs**), being classes of repair that it is practicable for the **TMO** to carry out, subject to the provisions of clauses 8 and 9 and the provisions in relation to classes of repair included in a **Major Works** programme.

- 1.2 Nothing in this clause will impose upon the **TMO** an obligation to repair, redecorate or maintain:
- 1.2.1 any fixture, fitting or appliance provided by a tenant, leaseholder or freeholder as an alteration or improvement except where the Council would be under an obligation to repair, redecorate or maintain it;
 - 1.2.2 any part of a **Property dwelling** or any fixture, fitting or appliance in a **Property dwelling** which is in need of repair or maintenance because of any defect in the design or construction of the **Property dwelling** or the manufacture of any fitting, appliance or component part (unless funds for such repairs have been included in the **Allowances**, see Chapter 5 clause 1); or
 - 1.2.3 any part of a **Property dwelling** or any fixture, fitting or appliance which a tenant, leaseholder or freeholder is under an obligation to maintain under his or her tenancy, lease or freehold transfer.
- 1.3 The **TMO** agrees to make good any damage and to carry out repairs to any dwelling (including redecoration) which may be needed as a result of the **TMO** carrying out the **Responsive** and **Planned Maintenance Repairs** it has agreed to carry out under this clause.
- 1.4 The **TMO** will carry out repairs that would otherwise be carried out by the Council under Option B, clause 2.1 where the expected cost of those repairs is less than an amount agreed in writing by the Council and the **TMO**.

2 FUNCTIONS OF THE COUNCIL IN RESPECT OF REPAIRS

(Option A: The Council continues to exercise all of its repairing functions.)

- 2.1 The Council will carry out all repairs to the dwellings that are within its repairing obligations as landlord.

(Option B: The Council continues to exercise some of its repairing functions.)

- 2.1 Subject to Option B, clause 1.4, the Council will carry out all repairs to any dwelling that are not listed in Annex A to Schedule 1 that are within its repairing obligations as landlord, or under the terms of a freehold transfer. Such repairs include, but are not restricted to, those listed in Annex B to Schedule 1.
- 2.2 The Council agrees to make good any damage and to carry out repairs to any dwelling (including redecoration) which may be needed as a result of the Council carrying out repairs under this clause.

3 FAILURE TO REPAIR

- 3.1 In carrying out repairs under clause 1, the **TMO** will meet the standards and time scales agreed between it and the Council and set out in Schedule 1.
- 3.2 In carrying out repairs under clause 2, the Council will meet the standards and time scales agreed between it and the **TMO** and set out in Schedule 1.
- 3.3 If, in the opinion of the **TMO**, the Council is not carrying out a repair that it has agreed to carry out or which is within its repairing obligation as landlord, or is not meeting the standards and time scales set out in Schedule 1, the **TMO** may inform the Council in writing of the repair required in a **Repair Notice**.
- 3.4 If, in the opinion of the Council, the **TMO** is not carrying out a repair that it has agreed to carry out or is not meeting the standards and time scales set out in Schedule 1, the Council may inform the **TMO** in writing of the repair required in a **Repair Notice**.
- 3.5 If a **Repair Notice** is served under clause 3.3 or clause 3.4, the repair will be carried out in accordance with the standards and time scales set out in Schedule 1.
- 3.6 If the repair specified in the **Repair Notice** is not completed within the time scales set out in Schedule 1, the party who served the notice will have the right to carry out the repair and recover from the other party any costs reasonably incurred in carrying out the repair.

4 MAJOR WORKS: INITIATION BY THE COUNCIL

- 4.1 The Council may draw up proposals for **Major Works** for cyclical redecoration and associated repairs, structural repairs, renewal of components, fixtures or fittings, and improvements to dwellings if it considers them to be necessary or desirable.
- 4.2 If the Council decides that **Major Works** are necessary or desirable the Council will inform the **TMO** and provide the **TMO** with details of the Council's proposals.
- 4.3 The **TMO** will consult with tenants, leaseholders and freeholders over **Major Works** proposals, complying with the requirements under sections 20 and 20ZA of the Landlord and Tenant Act 1985, unless the Council is undertaking consultation under clause 15 of Chapter 7. The TMO will carry out statutory consultation in accordance with clause 15 option B of Chapter 7 and non-statutory consultation in accordance with clause 16 of Chapter 7. In finalising its response, the TMO will take into account any comments tenants, leaseholders or freeholders may make.
- 4.4 The Council will give proper consideration to the **TMO's** response to **Major Works** proposals and to any changes which the **TMO** may suggest. [[Link to clause 6.](#)]

5 REQUESTS FOR MAJOR WORKS BY THE TMO

- 5.1 The **TMO** may request the Council to draw up proposals for **Major Works** and the provisions of clause 4.1 will apply to such a request.
- 5.2 Each year the Council will advise the **TMO** of the information that the Council reasonably requires to consider a request under clause 5.1 and the timetable for such requests to be considered. A reasonable period will be specified for that information to be provided.
- 5.3 Before submitting a request under clause 5.1, the **TMO** will consult any tenants, leaseholders and freeholders who may be affected by the proposed **Major Works**. In finalising its request the **TMO** will take into account any comments tenants, leaseholders or freeholders may make. The **TMO** will carry out consultation in accordance with clause 16 of Chapter 7.
- 5.4 The Council will give full and fair consideration to a request under clause 5.1. In deciding whether to accept the request, the Council will give equal consideration to the need for repairs or improvements to the **Property** as it gives to the need for repairs or improvements to other properties in the Council's housing stock.

6 MAJOR WORKS

*(Option A: The Council carries out **Major Works** but agrees to consult the **TMO** in relation to them.)*[\[Link to clause 8.\]](#)

- 6.1 If the Council intends to undertake **Major Works**, the Council will consult the **TMO** about its proposals (including the nature and scope of the works, the proposed contract terms and conditions and the methods by which it intends that the works should be carried out), in accordance with the provisions set out in Schedule 2 (**Procedure for Consultation on Major Works**).

The **TMO** may request the Council to amend its proposals or to include specific terms and conditions in contracts for the **Major Works**. The Council will give reasoned consideration to any requests made by the **TMO** under the consultation procedure under this clause. Where the Council has reason for not complying with such a request, the Council will, as soon as is reasonably practicable, give the **TMO** a written explanation.

- 6.2 At least 28 days before inviting tenders for the proposed **Major Works**, the Council will send to the **TMO** for approval details of:
 - a) the **Major Works** proposed;
 - b) the intended programme for the **Major Works**;
 - c) the access arrangements required for the **Major Works**; and
 - d) the contractors from whom the Council intends to invite tenders for the **Major Works**; and request the **TMO** to nominate contractors to be included on the tender list. The Council will not refuse any such nomination without good reason.

- 6.3 Within 28 days of receiving tenders for the **Major Works** the Council will submit for the **TMO's** approval details of:
- a) the tenders received for the **Major Works**;
 - b) the contractor or contractors whose tender or tenders the Council intends to accept for the **Major Works**; and
 - c) the date upon which the contractor intends to commence the **Major Works**.
- 6.4 The Council will not commence **Major Works** without approval from the **TMO**. The **TMO** will not withhold or delay approval of the request from the Council for approval without good reasons.
- 6.5 The **TMO** will be kept fully informed of the progress of the works, invited to attend site meetings with contractors and council officers, and be given an opportunity to express its views throughout. On completion of the works, it will be invited to handover meetings and be asked for its views on the resolution of residual problems, in accordance with the provisions of Schedule 2.
- 6.6 This clause is subject to the provisions of clause 7, and in a case falling within clause 7 the Council will consult the **TMO** throughout all stages of the process leading to a **Partnering Contract** between the Council and a third party for the carrying out of **Major Works** which affect the **Property**.

6 MAJOR WORKS

*(Option B: Council enters into **Major Works** contracts but the **TMO** agrees to supervise them.) [Link to [clause 8](#).]*

- 6.1 The Council will include a sufficient sum within the **Allowances** (see Chapter 5, clause 1) for the **TMO** to supervise agreed **Major Works**. The sum will be included in the **TMO's Allowances** in the year(s) that the Major Works will take place.
- 6.2 If the Council intends to undertake **Major Works** the Council will consult the **TMO** about its proposals including:
- a) the nature and scope of the works;
 - b) the proposed contract terms and conditions; and
 - c) the methods by which it intends that the works should be carried out.

The Council will give reasoned consideration to any **TMO** requests for the Council to amend its proposals or to include specific terms and conditions in the contract for the **Major Works**. Where the Council has reason for not complying with such a request, the Council will, as soon as is reasonably practicable, give the **TMO** a written explanation.

- 6.3 At least 28 days before inviting tenders for **Major Works** the Council will submit to the **TMO** for approval details of:
- a) the **Major Works** proposed;
 - b) the intended programme for the **Major Works**;
 - c) the access arrangements required for the **Major Works**;
 - d) the contractors from whom the Council intends to invite tenders for the **Major Works**;
- and request the TMO to nominate contractors to be included on the tender list. The Council will not unreasonably refuse any such nominations.
- 6.4 Within 28 days of receiving tenders for **Major Works** the Council will submit for the **TMO's** approval details of:
- a) the tenders received for the **Major Works**;
 - b) the contractor or contractors whose tender or tenders the Council intends to accept for the **Major Works**; and
 - c) the date upon which the contractor intends to commence the **Major Works**.
- 6.5 The Council will not invite tenders or enter into a contract for **Major Works** without the **TMO's** approval and the **TMO** will not withhold or delay approval without good reason.
- 6.6 The **TMO** agrees to supervise **Major Works** contracts entered into by the Council. In fulfilling its supervisory obligations under this clause the **TMO** will comply with the performance standards for supervising contracts for **Major Works** set out in Schedule 3 (**Procedures and Performance Standards for entering into and supervising Major Works**).
- 6.7 As soon as the Council has entered into a contract for **Major Works** it will provide the **TMO** with a copy of the specification and contract for the works and any other information the **TMO** may require to carry out its supervisory obligations under this clause.
- 6.8 If, in supervising a **Major Works** contract, it becomes evident that works in addition to those specified in the **Major Works** contract are required the **TMO** will immediately notify the Council in order that the Council may determine how to deal with the need for additional works. Should the need for additional **Major Works** arise, the **TMO** will take such action as the Council may reasonably require including supervising the additional **Major Works** required.
- 6.9 This clause is subject to the provisions of clause 7, and in a case falling within clause 7 the Council will consult with and involve the **TMO** throughout all stages leading to a **Partnering Contract** between the Council and a third party for the carrying out of **Major Works** which affect the **Property**.

6 MAJOR WORKS

*(Option C: The **TMO** agrees with the Council to enter into **Major Works** contracts and supervise them within the budget for **Major Works** contained within the **Allowances**.)*

- 6.1 The **TMO** agrees to enter into contracts for agreed **Major Works** and supervise such works if the Council has included a sufficient amount within the **Allowances** for the **TMO** to carry out such works.
- 6.2 Before carrying out the **Major Works**, the **TMO** may notify the Council that it considers that the **Allowances** are insufficient to carry out some or all of the **Major Works** for which they have been allocated. The Council will consider any such requests. If the Council proposes to increase the amount of the **Allowances** and the **TMO** considers that increase to be sufficient, the **Allowances** will be adjusted and the work carried out accordingly. If the Council does not propose to increase the amount of the **Allowances**, or if the **TMO** does not consider a proposed increase to be sufficient, the **TMO** will not be under an obligation to carry out those **Major Works**. The **Allowances** will be reduced accordingly and the Council will carry out those works.
- 6.3 At the time the **TMO** intends to carry out the **Major Works** listed in Schedule 4 (**The TMO's Major Works Functions**), the **TMO** will submit to the Council for approval details of:
 - a) the **Major Works** the **TMO** intends to undertake;
 - b) the intended programme for the **Major Works**;
 - c) the access arrangements required for the **Major Works**; and
 - d) the contractors from whom the **TMO** intends to invite tenders for the **Major Works**.
- 6.4 Within 28 days of receiving tenders for the **Major Works**, the **TMO** will submit to the Council for approval details of:
 - a) the tenders received for the **Major Works**;
 - b) the contractor or contractors whose tender or tenders the **TMO** intends to accept for the **Major Works**; and
 - c) the date upon which the contractor intends to commence the **Major Works**.
- 6.5 The **TMO** will not invite tenders or enter into a contract for **Major Works** without approval from the Council. The Council will not withhold or delay approval without good reason. In fulfilling its obligations under this clause the **TMO** will comply with the performance standards for entering into and supervising contracts for **Major Works** set out in Schedule 3.

- 6.6 The Council will only carry out any **Major Works** listed in Schedule 4 in accordance with the provisions of clause 6.2.
- 6.7 In a case falling within clause 4 (initiation of **Major Works** by the Council), the Council and the **TMO** may agree that the **TMO** is to undertake the works and receive the appropriate **Allowances**.

6 MAJOR WORKS

*(Option D: The Council and the **TMO** agree that more than one of Options A, B and C may be operated concurrently.)*

- 6.1 The Council and the **TMO** agree that more than one of the Options A, B and C of this clause (set out below) may be operated concurrently in respect of different **Major Works**, and the provisions of the relevant Option clause shall apply in respect of the relevant **Major Works**.

7 PARTNERING CONTRACTS MADE BY THE COUNCIL WITH THIRD PARTIES IN RESPECT OF MAJOR WORKS

- 7.1 The provisions of clause 6 do not prevent the Council from entering into a **Partnering Contract** for the carrying out of **Major Works** by third parties, and the provisions of that clause do not apply in so far as they are not compatible with the arrangements made by the Council and the third party.
- 7.2 Where the Council proposes to enter into such a **Partnering Contract** which affects the **Property**, it will consult with and involve the **TMO** at an early stage and throughout the process and give proper regard to the views of the **TMO** at all stages.

8 REPLACEMENT REPAIRS

- 8.1 Unless a repair is specifically included within Option C of clause 6 or within Option D of that clause, the Council will be under an obligation to replace and renew (whether as part of a planned maintenance programme or otherwise) all component parts of **Property dwellings** which:
- a) have deteriorated to the extent that repair would be ineffective and uneconomic;
 - b) require replacement to ensure the safety of persons using the **Property dwellings**; or
 - c) require replacement or renewal as part of the modernisation or improvement of the **Property dwellings**.
- 8.2 The **TMO** and the Council will determine whether a case falls within paragraph a) of clause 8.1, in accordance with the procedure set out in Schedule 1.

9 REPAIRS COVERED BY THE COUNCIL'S BUILDINGS INSURANCE

(Option A: The Council makes claims for repairs covered by the Council's buildings insurance policy and carries out such repairs.)

- 9.1 The Council will administer all insurance claims for **Insurance Repairs** to the **Property dwellings** which arise from events (such as storm damage, subsidence, fire damage, damage caused by burglary or vandalism and consequential damage caused by flooding, burst or leaking pipes) which are covered by the risks the Council has insured against as set out in clause 7 of Chapter 1.
- 9.2 The provisions of clause 1 will not apply to **Insurance Repairs** and the Council agrees to carry out all such repairs.
- 9.3 As soon as practicable after the **Starting Date**, the Council will provide the **TMO** with a copy of its buildings insurance policy and a simple guide as to the types of repairs that are **Insurance Repairs**, including the action needed to avoid invalidating insurance claims, particularly if a dwelling is void and left vacant for more than one month. The arrangements for undertaking **Insurance Repairs** are set out in Schedule 5 (**Procedure for Repairs Arising from Events Covered by the Council's Building Insurance**).
- 9.4 As soon as the **TMO** becomes aware that an **Insurance Repair** to a dwelling is needed, it will notify the Council in writing of that fact.
- 9.5 If the Council receives a notice from the **TMO** under clause 9.4 or is otherwise aware that an **Insurance Repair** is needed, the Council will follow the procedure for administering claims, carrying out **Insurance Repairs** and any emergency temporary repairs, as set out in Schedule 5.
- 9.6 The **TMO** will, as soon as is reasonably practicable after receiving a request from the Council, provide the Council with any information which the Council may reasonably require in order to make or pursue a claim to its insurers for the cost of an **Insurance Repair**.

9 REPAIRS COVERED BY THE COUNCIL'S BUILDINGS INSURANCE

*(Option B: The Council makes claims for repairs covered by the Council's buildings insurance policy, but the **TMO** carries out such repairs if they are included in the repairs listed in Schedule 1.)*

- 9.1 The Council will administer all insurance claims for **Insurance Repairs** to the **Property** which arise from events (such as storm damage, subsidence, fire damage, damage caused by burglary or vandalism and consequential damage caused by flooding, burst or leaking pipes) which are covered by the risks the Council has insured against as set out in clause 7 of Chapter 1.

- 9.2 As soon as practicable after the **Starting Date**, the Council will provide the **TMO** with a copy of its buildings insurance policy and a simple guide as to the types of repairs that are **Insurance Repairs**, including the action needed to avoid invalidating insurance claims, particularly if a dwelling is void and left vacant for more than one month. The arrangements for undertaking **Insurance Repairs** are set out in Schedule 5.
- 9.3 If the **TMO** considers that a repair that falls within the list of repairs in Annex A to Schedule 1 is an **Insurance Repair**, the **TMO** will immediately notify the Council in writing of that fact and follow the procedure for carrying out an **Insurance Repair** set out in Schedule 5.
- 9.4 If the Council receives a notice from the **TMO** under clause 9.3 or is otherwise aware that an **Insurance Repair** is needed, the Council will follow the procedure for administering claims and carrying out any emergency temporary repairs set out in Schedule 5. Where the **Insurance Repair** is a repair which falls within the list of repairs in Annex B to Schedule 1, the Council will follow the procedure for carrying out **Insurance Repairs** set out in Schedule 5.

Staffing and Management of the Relationship between the TMO and the Council

NOTE ON CLAUSE 1 AND TUPE

*In any particular set of circumstances, TUPE (the transfer of undertakings protection of employment provisions set out in the Transfer of Undertakings (Protection of Employment) Regulations 1981) will or will not apply, depending on the facts of the case and the applicable law. Accordingly, it is not possible for the **TMO** and the Council to freely choose whether or not TUPE applies: rather, it is a matter of deciding whether it does or does not apply. It is only in the most exceptional circumstances that TUPE will not apply. Accordingly, there are three possible scenarios:*

- i) TUPE does not apply;*
- ii) TUPE applies but there is no actual transfer of staff from the Council to the **TMO**;*
- iii) TUPE applies and there is a transfer of staff from the Council to the **TMO**.*

Where scenario (i) or (ii) applies, there is no need for an individual Agreement to make any provision. Accordingly, only scenario (iii) is dealt with, in clause 1 below.

1 THE TRANSFER OF STAFF FROM THE COUNCIL TO THE TMO WHERE THERE IS A TRANSFER OF AN UNDERTAKING BY VIRTUE OF THE TRANSFER OF UNDERTAKINGS (PROTECTION OF EMPLOYMENT) REGULATIONS 1981

[to be used only where TUPE applies and there is a transfer of staff from the Council to the TMO.]

- 1.1 The Council agrees that, as there is a transfer of an undertaking under this Agreement by virtue of the Transfer of Undertakings (Protection of Employment) Regulations 1981, the staff listed in Schedule 1 (**Staff Transferred under TUPE**) have an automatic right to transfer to the employment of the **TMO** on the same terms and conditions as they have with the Council.

- 1.2 The Council's terms and conditions for the staff are set out briefly in Schedule 1 and the Council warrants and covenants to the **TMO** that:
- a) to the best of its knowledge and belief the details in that Schedule are correct;
 - b) all statutory requirements as to consultation of those staff have been complied with;
 - c) as at the **Starting Date** the Council will have paid those staff any amount due up to that date. The Council will have paid or will pay any amounts such as National Insurance contributions due for the period up to and including the **Starting Date**; and
 - d) subject to any duties of confidentiality that the Council may owe to those staff the Council has disclosed in writing to the **TMO** any details of current grievance or disciplinary proceedings and any litigation in respect of any of those staff.
- 1.3 The Council undertakes to indemnify the **TMO** against any costs damages or expenses arising out of or in connection with any breach of the warranties and covenants in clause 1.2 and against any claim by any person employed by the Council on or before the **Starting Date** and not listed in Schedule 1 that that person had a right to be employed by the **TMO**. The Council's liability will not include any costs of the **TMO** or any settlement of any claim by the **TMO**, unless the costs or settlement have been approved in writing by the Council. Such approval will not to be withheld or delayed without good reason.

1 THE TRANSFER OF STAFF FROM THE COUNCIL TO THE TMO WHERE THERE IS A TRANSFER OF AN UNDERTAKING BY VIRTUE OF THE TRANSFER OF UNDERTAKINGS (PROTECTION OF EMPLOYMENT) REGULATIONS 1981

[to be used only where TUPE does not apply and there is no transfer of staff from the Council to the TMO.]

- 1.1 Clause not included.

2 EMPLOYMENT OF STAFF (OTHER THAN THOSE TRANSFERRING UNDER CLAUSE 1)

- 2.1 The duties of any staff employed by the **TMO** and their terms and conditions of employment (including salaries and rates of pay) will be decided by the **TMO**. The **TMO's** recruitment policy, disciplinary procedures, and standard terms and conditions for staff are set out in the Annex.

 - g) employees of the Council shall have the option not to apply for or to accept a secondment to the **TMO**.

- 3.5 The **TMO** or the Council may terminate the arrangement for the Council to provide seconded staff either:
