UNIT OVERVIEW

The role of 4 Regiment Royal Military Police (RMP) is to provide Provost Support (primarily investigation and crime reduction services) to the military community within Greater London and the South East of England and to provide Provost Support to 101 Logistic Brigade on exercises or operations. The specific role of the Regimental Headquarters is to ensure that the Regiment is organised, trained and equipped to perform its roles whenever and wherever required.

4 RMP is made up of both Regular Army and Territorial Army sub – units and comprises of the following:

- Regimental Headquarters - Aldershot
- 160 Provost Company - Aldershot
- 116 Provost Company (Volunteers) - Cannock
- 253 Provost Company (Volunteers) - London

Following a Defence Review (Future Army Structures) in 2005, 4 RMP was granted an increase in both manpower and equipment. This allowed 116 Provost Company and 253 Provost Company to open detachments in Manchester and Southampton respectively. Within Aldershot both the Regimental Headquarters and 160 Provost Company occupy offices in Buller Barracks.
