7 February 2011

Dear Mr XXXXXXXX

I am writing to confirm that the Department has now completed its search for the information which you requested on 3 February 2011.

In light of the planned electrification of rail infrastructure in North West England, you asked how many diesel vehicles are expected to be replaced by electric vehicles on the Northern and TransPennine Express franchises.

The Department estimates that 116 existing diesel vehicles will be replaced by electric vehicles. However, this is based on a series of assumptions (such as current train formations and service patterns), known at the time the electrification scheme was approved. As such, these numbers may be revised in the future.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless exempt. The Department will, therefore, be simultaneously releasing to the public the information you requested, together with any related information that will provide a key to its wider context.

If you are unhappy with the way the Department has handled your request or with the decisions made in relation to your request you may complain within two calendar months of the date of this letter by writing to the Department's Information Rights Unit at:

Zone D/04
Ashdown House
Sedlescombe Road North
Hastings
East Sussex TN37 7GA
E-mail: FOI-Advice-Team-DFT@dft.gsi.gov.uk

Please see attached details of DfT's complaints procedure and your right to complain to the Information Commissioner.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications.
