A few points to remember when filling in the travel record:

1. We are interested in **all** types of transport; walks and bike journeys as well as cars and public transport.

2. Use a **new line for each journey** (e.g. go to work, go home). From column F use a new line for each **method of travel** you used for each **stage** of your journey (e.g. car, train, bus, walk).
3. On days 1-6 only include walks of a mile or more (it takes approximately 20 minutes to walk a mile). On day 7 include **all** walks.
4. If you make more than 7 journeys there is space at the end of the record to write down extra journeys.

## NOTES

### A

What was the purpose of your journey?

Please give a **simple description** such as 'go to school', 'go home', 'go to cinema', 'go to friend's house' 'go to dentists' etc. If you are unsure, make a note and the interviewer will sort it out.

### B/C

What time did you leave/arrive?

Write in hours and minutes (e.g. 9.15). Please tick am or pm to show the time of day.

### D/E

Where did you start/go to? (Tick 'Home' **or** give the name of the village, town or area)

Please write down the name of the place where your journey started and finished. If this was a large town or city give the name of the area. If you went to a shopping centre or visitor attraction please tell us its name. **Please be as precise as possible.** If your journey started or finished at home, you only need to tick 'Home'.

### F

What method of travel did you use for each stage of your journey?

Use a different line for the **method of travel** you used at each **stage** of your journey (e.g. car, train, bus, bike). On days 1-6 only include walks of a mile or more (it takes approximately 20 minutes to walk a mile). On day 7 please include **all** walks.

### G

How far did you travel? (Miles)

Please give us the distance you travelled in miles or metres (e.g. 3 miles, 0.5 miles, 300 metres).

### H

How long did you spend travelling? (Minutes)

Please note the amount of time you spent **travelling** and do not include any time you spent waiting for public transport.

### I

How many people travelled including you?

Please write in the number of adults and children, including yourself, who set out together. Only include people who were with you for at least half the distance of your journey.

### J

Which car or other motor vehicle did you use?

Please tell us **which vehicle** was used **if it belongs to your household** (e.g. Toyota). If you travelled in someone else's vehicle, please tell us that (e.g. friend's car).

### K

What type of ticket did you use?

Write here the type of ticket you used. Tell us if it was a **single**, a **return**, a **season ticket** or a **one day travelcard**. If you were able to buy a ticket at a **cheap rate** please write this in too. If you receive **reduced or free tickets** please tell us. If you used an **Oyster card** please tell us whether it was a **pre-pay** or a **season ticket**.

### L

How much did your ticket cost?

Please tell us the amount **you** actually paid. If your journey was covered by a season ticket tick 'Nil'. If you bought a return ticket or travel card write the total amount next to the first journey you used it for.

### M

How many times did you board?

Write here the number of different trains or buses you used at each stage of your journey (e.g. if you used two separate buses enter '2').
