There are 2 questions

Before you start

In case we have any queries on your submission, please check/complete the following:

Your Details	
Area name:	
a. First name:	
b. Surname:	
c. Email address:	
d. Telephone	

Completing this form

When completing this form, simply enter the information required in the boxes provided.
the Bus and Local Transport

Q1 Non-frequent services running on time

What was the proportion of non-frequent [i] bus services running on time [i] in your area during 2010-11[i]?

Please enter a percentage figure to the nearest whole number, omitting the percentage sign (e.g. enter 93 for 93%)

%

For further information please refer to the guidance notes

Q2 Average excess waiting time for frequent services

Are there any frequent[i] local bus services in your area?

What was the average excess waiting time [i] for frequent bus services in your area during 2010-11[i]?

Please provide a figure in minutes to 2 decimal places (e.g. 1.74 minutes).

For further information, including a worked example, please refer to the guidance notes

Any further comments

DfT welcomes any feedback you would be prepared to provide on this return; please enter any comments you wish to make in the box below. If figures are based on data collected at other than local authority level we would be grateful if you could indicate this. We would also appreciate any comments on the data sources for this return (e.g. survey or electronic information)

We'd also be grateful if you could indicate whether there is currently a bus punctuality partnership[i] in your area. Please tick the box if so.
