Receptor Code (section e)

A - Affected NA - Not affected TBC - To be considered Impact Codes (section h)

CC - Climate Change Wst - Waste N - Nuisance (eg odour, dust) NR - Non-renewable resource use R - Renewable resource use

L - Land Pollution WU - Water use Wat - Water Pollution

A - Air Pollution

H - Human health

B - Biodiversity and eco-systems

O - Other (includes heritage, landscape, social, historical)
